

Gloria G. Lee

In your book "If You Believe in God You Do Not Belong in Prison" I liked a few things and disliked a few. I like how you said reading will give you permanent relief from things around me. I am not much of a reader, but I am doing it anyways. I do believe in the Word of God, but I do not believe in putting the Word into your own words. You said a lot of your verses come from the King James and none of them where. I think you should of left them alone. Ten people can read the same verse and get 10 different things from it. That's why its called the Living Word. We should not change what the word says. Other than that your Book was good. There was a lot of insight. I didn't realize how bad our system was until I read your book. I have woke up and taking steps to be a better man. I do want the promises ~~God~~ God gave us by doing right. I am a Christian I do believe Jesus died on the Cross for my sins and that I am a sinner saved by grace. I'm not much of a writer. Your book was good! Thanks - Joe!
