

my Name is Reginald , I'm
Currently serving 57 months for A Home
invasion 2, which I'm deeply remorse about.
I've been in and out of prison since
the age of 28 yrs old, and to answer
your question yes I do believe in God
and love him dearly, however I don't
act like it at times, I'm trying very
hard to accept the fact that I cannot
do it alone, my friend Mr. Redwine encourages
me whenever I see him, which is good
for me because I'm alone and in need
of companionship, so if you read my words
please feel free to send or write
me with some response.

Thanks for your
time,
Sincerely yours
R.
