To whom it may concern,

I wholeheartedly recommend Ms Gloria G. Lee's book "If you believe in God You don't belong in prison." I think if it can help prevent even one soul from taking that fateful plunge into a life of crime it will be well worth it!

I have been down for over eleven years now and I wish I'd have had a book like this, painting such a vivid picture of the reality of a life wasted in prison, or worse.

Sincerely, Bro Scott,
